

NEHEMIAH 'NEMO' CIONELO

nemocionelo@gmail.com | (505) 910-6394 | linkedin.com/in/nehemiah-cionelo | github.com/cionelo | itsnemo.dev

PROFESSIONAL SUMMARY

Marketing Technology Specialist with Computer Science degree bridging technical development and marketing execution. Built production web application (240+ operational hours) and multi-vendor data pipeline processing race analytics from 7+ timing platforms. Grew organic social media to 250K+ followers demonstrating deep understanding of algorithms, content strategy, and growth mechanics. Proficient in full-stack development, ETL pipelines, AI-assisted workflows, and marketing automation.

TECHNICAL SKILLS

Programming & Data: JavaScript, Python, HTML/CSS, SQL, RESTful APIs, Google Apps Script, Multi-Source ETL, Web Scraping (Playwright, BeautifulSoup), JSON Processing, Data Normalization

Marketing Technology: SEO, Google Analytics, Social Media Analytics, Marketing Automation, Content Management Systems (Sprout Social, Notion), Data Visualization (Chart.js), A/B Testing, Campaign Performance Tracking

Tools & Platform Engineering: Git, GitHub Actions, CI/CD, AI-Assisted Development, Adobe Creative Suite, SaaS Integration, Cross-System Data Orchestration, Internal Tools Development

PROFESSIONAL EXPERIENCE

Data Engineer / Full-Stack Developer (Freelance) *Multiple Projects | Remote | May 2024 – Present*

Race Data Intelligence Suite (PACE) – Multi-vendor ETL platform ingesting data from 7+ timing vendors into unified analytics schema

- Architected automated data pipeline; designed CI/CD-ready automation for GitHub Actions deployment
- Built fault-tolerant normalization engine handling heterogeneous formats, producing JSON consumable by Chart.js, Tableau, and Google Data Studio
- Demonstrates core MarTech capabilities: multi-source ingestion (ad networks/social APIs), schema harmonization, and automated monitoring

Student Tutor Dashboard – Production web application serving 240+ operational hours managing 4000+ records; implemented authentication, caching (60% faster responses, sub-0.5s load times), and AI-assisted development workflow accelerating delivery

Tutor Availability Platform – SaaS integration tool augmenting Teachworks with calendar feeds and enhanced visibility

Student Social Media Associate *UNM Communications and Marketing | Abq, NM | Jul 2021 – Jul 2023*

- Grew UNM TikTok from 7K to 17K followers (+143%); created highest-performing videos for UNM Instagram through data-driven content strategy
- Developed integrated marketing campaigns using SEO, lead generation, and analytics; managed content calendar optimizing for algorithms and organic reach
- Produced multimedia content with Adobe Creative Suite; demonstrated proficiency in Sprout Social and Notion workflow optimization

Content Creator & Social Media Strategist *@itsnemo.mp4 (Personal Brand) | Remote | 2019 – Present*

- Built organic following of 250K+ across TikTok (213K+) and Instagram (64K+) through consistent content strategy and algorithm optimization
- Monetized platform via NIL partnerships, sponsorships, and merchandise; analyze engagement metrics and audience insights to optimize performance
- Demonstrates deep understanding of content virality, retention hooks, and conversion paths applicable to growth marketing and user acquisition

EDUCATION

Master of Science – Recreation and Sport Management

Coastal Carolina University | Conway, SC | Aug 2023 – May 2025

Bachelor of Science – Computer Science | GPA: 3.62 | cum laude

University of New Mexico | Albuquerque, NM | Aug 2019 – Dec 2022

ADDITIONAL HIGHLIGHTS

Former Division I Track & Cross Country Athlete (2018-2025) – *Training toward 2028 U.S. Olympic Trials*
